- \$75 buys medication for a month for the 'special needs' wildcat residents
- \$125 pays for a months worth of cleaning supplies, such as garbage bags and gloves for cleaning enclosures.
- \$150 buys a months supply of bedding (straw & hay) for the wildcats to keep them cozy & dry
- \$250 pays for a vet exam for one resident, including blood work & x-rays.
- \$1500 buys enough lumber for one 32 x 32 ft. enclosure
- \$2500 buys enough wire panels for one 32 x 32 ft. enclosure
- \$3000 buys fresh, wholesome meat for one month for all of the residents.

*Each and every day, we do all we can to provide the residents with a safe, peaceful and quiet place to live out their lives. We work hard to give them the opportunity for a better life than the one they were born into. With your help, we are making a difference in the lives of these wildcats. Thank you for your support!*
